

The Rainy-Day Plan

Cause, effect and character

Name: _____

Date: _____

READ OR LISTEN

A school picnic was planned for Saturday. Heavy rain started in the morning, so the park was too muddy for games. The teacher moved the picnic into the school hall. Families brought mats, fruit, and sandwiches. After lunch, the children played word games. They missed the swings, but they agreed that the changed plan was fun.

Read. Choose the answer supported by the text.
